

**List of participants of the  
Bonn-OSInet ring tests.**

**Oil Spill Identification  
Network of Experts  
within the Bonnagreement**

Bonn-OSInet organizes each year a ring test for oil spill identification.

The table shows the countries, institutes and most recent contact of the institute that joined the ring tests last years.

Summary reports of the ring tests can be downloaded from the Bonn-OSInet section of the Bonnagreement website.
