

BE AWARE

Bonn Agreement
Accord de Bonn

FINAL CONFERENCE

A Regional Risk Assessment for the Bonn Agreement Area: Pollution from Oil and Hazardous Substances

The BE-AWARE final conference will outline:

- the project methodology,
- the challenges of undertaking a regional assessment,
- the results of the risk analysis for both oil and HNS,
- the environmental sensitivity methodology developed,
- next steps for BE-AWARE

The Conference will be held on the 10 -11 December at the World Maritime University (WMU) Malmö, Sweden

The conference is open to stakeholders with an interest in protection of the Greater North Sea area

Hosted by:

Malmö, Sweden

Co-financed by the EU - Civil Protection Financial Instrument
